

Memphis Soaring Society Annual Safety Day

A brief review of ground and flight operations, current FAR's, club rules and requirements. Following the meeting there will be a tour of the facilities and gliders available to club members.

Directions: If coming in to Cherry Valley from the North on Rt.1, or on Rt.42, go South on Rt.1. Go approximately 2.2 miles from Rt.42 and make a left on the gravel road marked CR 338. If coming in to Cherry Valley from the South on Rt.1, go approximately 9 miles from Rt.64 in Wynne. Make a right on the gravel road marked CR 338. Look for a sign the size of a realty sign with our logo on it at Rt.1 & CR338. Go about 1 mile on CR 338. The airport will be on your right

A message from the National FAASafetyTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASafetyTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
